2024 NORFOLK COUNTY FAIRGROUNDS

EVENTS

APRIL 4-6

Eat & Drink Norfolk showcases the incredible food, wine and brews that Norfolk County has to offer, along with live local music. The event this year will offer refreshed experiences. Acclaimed as one of Ontario's Top 100 Festivals & Events!

Norfolk Night Market - Summer Edition is a unique experiential artisan market showcasing local makers, musicians, food and beverage, with activities for all ages under the twinkle lights at the heart of the fairgrounds.

JUNE 7-8

JUNE 14-15

Supported by Amplify Norfolk, the 2024 Fairgrounds Festival will build on the groundwork of last year's event, showcasing two evenings of Party on the Track featuring live local musical acts, and large scale Headline National Artists in an immersive festival setting.

If you've ever been to Ontario's oldest agricultural Fair, you know why it deserves to be ranked one of the largest fairs in Ontario along with the Canadian National Exhibition, and The Royal Winter Fair. Also ranked in the Top 100 Events by Festivals and Events Ontario, the Norfolk County Fair & Horse Show has it all!

OCT 8-14

DEC 6-7

A European-style traditional Christmas market, an experiential shopping experience, with food, beverage and entertainment. Workshops and activities for the whole family including horse drawn carriage rides and visits from Santa himself!

Message from the President

I am thrilled to welcome you to Simcoe & District Chamber of Commerce's first Insider's Guide to Norfolk. This is the best place for you to find ways to eat, stay, discover and play from people who live and work here. As President, I am excited to share with you my three favourite things to do in our beautiful County.

Firstly, I want to highlight the natural beauty of Lake Erie. My family and I are fortunate to keep our boat at Port Dover Harbour Marina, and we never tire of enjoying the serene surroundings and stunning sunsets. Whether you're a boater, a beachgoer, or simply a nature lover, Lake Erie has something for everyone.

Secondly, Norfolk is a foodie's paradise! From the humblest food truck to the finest dining establishments, our region is bursting with flavour and creativity. I encourage you to explore our culinary scene and discover your new favourite dish.

Lastly, I want to celebrate the vibrant arts community that thrives in Norfolk. From live theatre to live music, and from art shows to festivals, there's always something to inspire and delight. Our region is home to talented artists, musicians, and performers who enrich our lives with their creativity.

In this publication, you'll discover the best of Norfolk - from outdoor adventures to cultural experiences, and from local businesses to community events. I invite you to explore, enjoy, and share your own discoveries with us.

Thank you for joining us on this journey, and I wish you a wonderful time exploring all that Norfolk has to offer!

Welcome to Norfolk!

Welcome to the heart of Ontario's South Coast, Norfolk County! As Mayor, I'm proud to introduce you to a destination where adventure and relaxation meet.

Norfolk is not just a place to visit; it's a place to experience and stay. Embark on a journey through our award-winning wineries and breweries, and let the rich flavours of our local cuisine entice your taste buds. Our expansive beaches, from the bustling Port Dover to the tranquil Long Point, are perfect for a day of sun and fun.

Then, extend your adventure with a stay at one of our cozy accommodations, giving you the time to explore our lush trails, thrilling outdoor adventures, and vibrant markets – not to mention the lively arts and music scene. Discover the charm of our museums, heritage sites, and historic downtowns, plus the wonder of our farm-gate offerings, parks, and gardens. Each day in Norfolk County brings new experiences, and an overnight stay allows you to savour each moment.

So, come and make memories that will last a lifetime. Your Norfolk adventure awaits!

Amy Martin, Mayor

Meet Scout

Norfolk is a bird watcher's paradise, but you'll never see this bird on anyone's life list! That's because none are quite like Scout. Scout is a warbler, and helps tourists find their way around Norfolk. After all, he's seen it all from above the land and waters making him a true insider! Watch for him throughout the guide. He has great ideas and tips for making your stay in Norfolk memorable.

How do you beach?

Whether you prefer the quiet solitude of a long, rustic, sandy beach nestled in the heart of a UNESCO biosphere, or whether you prefer a little more action with restaurants and shops, Norfolk has it all.

Port Dover beach

If you're up to savour a footlong hotdog, spend an afternoon lounging on the beach, fishing from the pier or watching the commercial fishing tugs return with their catch, the Port Dover Beach is a great place to anchor for the day.

Turkey Point Beach

With two kilometres of groomed sandy beach and with shallow, warm waters, Turkey Point is the perfect beach for all ages.

Long Point

If you're looking for a beach with a little less action, Long Point is part of the UNESCO World Biosphere reserve and features rustic shoreline along the coast of the world's largest freshwater sandspit. You can access the best beach at the Long Point Provincial Park.

Local advice!

Asad Mohammed from Trinidad and Tobago, now a permanent resident whose occupation is housing support for Schuyler Farms Ltd. and kitchen supervisor and chef for Long Point Eco Adventures Marshview Restaurant

“ I have been coming to Canada for the past 11 years as a farm worker and now live here permanently. When you are visiting Simcoe in the summer you will have a chance to meet workers from Trinidad and Tobago, Barbados, Jamaica, and also from Mexico. When I have visitors, I make sure that the number one place we go is to the Marshview Patio to try the farmer burger and do the adventures they have in store for us. ”

Local advice!

Lisa Herrewynen, General Manager of the Norfolk Fruit Growers.

“ Visitors to Norfolk are always excited about the wide array of crops we grow. They love to visit the roadside stands and local shops for the freshest fruits and vegetables. I highly recommend Norfolk County’s official donut, the Apple Cider Donut, that is a must try for every visitor. ”

The official Apple Cider Donut is available at The Apple Place

Local advice!

Brian Craig, President Long Point Biosphere Region

“ When I have guests visiting Norfolk, I like them to experience the unique beauty of our old growth Carolinian forest at Backus Woods. There’s usually a paddle down kilometres of our meandering cold water streams teeming with fish. And since we’re perfectly located on the migration path of waterfowl and songbirds, we often take in birdwatching! ”

UNESCO WORLD BIOSPHERE

An area comprising 26,250 hectares in the Long Point area was designated as a Biosphere Reserve by UNESCO in April 1986. It provides an example of the Great Lakes coastal ecosystem and a unique blend of habitats.

It is a world-renowned refuge and stopover for migrating birds in fall and spring, and waterfowl viewing is excellent in March and April. Its delicate dunes and marshes teem with songbirds, spawning fish, turtles and frogs.

Finding your Crave!

Norfolk's foodie culture can take you on a journey from devouring an iconic footlong hotdog piled high with toppings to savouring "farm to fork" dining experiences all in the same day!

Food trucks have unique offerings like cheesecakes and pierogies and beach booths offer fresh cut fries, right from the boat fresh perch and pickerel, BBQ, and ice cream or candy floss!

You'll be excited to discover the flavours of the Caribbean in Downtown Simcoe. Restaurants representing the home countries of thousands of workers who join us to plant and harvest our crops share their specialties. In Delhi try the

famous cabbage rolls and chicken. Bakeries in every town offer amazing treats baked daily.

Norfolk's chefs create dishes from the abundance of locally grown seasonal produce and take immense pride in the presentation of Norfolk's bounty.

If fresh is more your jam, stop by a farm stand and pick up fresh picked fruits and vegetables.

Spend a day eating your way through Norfolk. You'll be glad you did!

Welcome to Delhi

Delhi is a sweet little town bursting with history. The most unique attraction by far is the Delhi Tobacco Museum. This beautiful property features multiple exhibits that explain the history and the process of tobacco farming in the area. It's even got an old-fashioned kiln with tobacco still hanging up to dry. Also, if you're interested in supernatural potential, this museum has long been rumoured to be haunted!

Tobacco farming has been the main economic driver for the town since it was established in 1826, and there are still nearly 100 active tobacco farms in Norfolk County. The little green and red buildings that you see dotted around the county, usually in groups, are old-fashioned tobacco kilns. Tobacco is cured, or dried, in these after harvest and before being sold. Many farms that used to grow tobacco are now converted to vegetables or fruit, so watch out in the season for roadside farm stalls selling produce so fresh it's still warm from the sun.

The nightlife here is defined by the halls. Different nationalities established the community halls in Delhi in the early twentieth century; three of which still stand, and meet the community's requirements for gathering places today. The Hungarian Hall, The German Home, and the Polish Club. An old theatre has recently been privately refurbished and re-named the Capitol 33 which is once again home to frequent concerts and events.

For outdoorsy folk, there are some great fishing spots in and around Delhi, most notably the Quance's Dam area on Big Creek. This beautiful spot is known for bass and trout, especially Steelheads. Other spots on Big Creek are great for fly fishing.

Get a sub or an ice cream and enjoy a drive through the country, especially to the South and Southwest of town where there is a charming little village called Lynedoch. Play "name that crop" and count tobacco kilns for a uniquely "Delhi" experience.

Welcome to Long Point

Welcome to Long Point Country one of Canada's Southern-most points on the shores of Long Point Bay & Lake Erie where the weather is warmer and the beaches are sandy.

We hope you enjoy the many natural, outdoor activities that surround us ~ birding, cycling, fishing, golfing, hiking, zip-lining, boating or simply taking a walk on Long Point Beach! Savour local flavours right at the farm gates, restaurants, cafés and wineries, hunt for antiques and unique gifts at the various shops, and step into historical times at Backus Heritage Conservation Area, rich in heritage.

Visit for a day and picnic at Long Point Provincial Park or come to camp, stay at a B&B or book a cottage so you can take a little longer to linger. Rest, relaxation and the great outdoors ~ you'll definitely be back for more! Your Shore To Love IS Long Point Country, Ontario - Canada.

Finding your Fun!

What's a vacation without a chance to cut loose and enjoy the fun and sun? Norfolk has tons of ideas to add more fun into your life.

For the adventurous, try a zipline and learn about Norfolk's deep love affair with our Carolinian forest. You can axe throw or just enjoy the day at one of many golf courses or our nautical themed Mini Golf course. If water's your

thing, you can paddle, canoe, kayak, paddleboard, jet ski, or boat on Lake Erie, the smallest of the great lakes. But don't miss the chance to slow it down, and visit our rivers, and ponds. Or aim for the ultimate paddling experience on Big Creek, which has been dubbed the Canadian amazon.

Maybe your idea of playing is more about relaxing in a beautiful setting listening to one of the many concerts that Norfolk has to offer. With a vibrant music scene, you'll find both indoor and outdoor venues offering all types of music. It's here you'll be excited to hear local artists performing with Juno and Grammy winners.

Try your hand at building a sandcastle or just sit back and enjoy the beach lifestyle that locals love!

Port Dover's Rum Running History

In 1919, the commercial fishermen of Lake Erie were experiencing one of their industry cyclical downturns. On January 1, 1920 the Volstead Act introduced prohibition across the United States and created a brand new sideline for a few enterprising fisherman. Prohibition was also in effect in Ontario, but it was far less comprehensive ban here. Soon, boxcars, full of whisky were appearing on railway sidings in Port Dover. Their contents were shipped across the lake aboard craft ranging from fishing tugs to bulletproof "grey ghosts". The boats either went all the way to Erie, Pennsylvania or to Long Point where they transferred their loads to American vessels. If caught, rum runners might have their boat seized or spend time in an American jail. Most got away with it though, and thousands of cases of Canadian whisky and beer made their way to American speakeasies. The US repeal of prohibition in 1933 marked the end of this colourful era. Learn more about Port Dover's history at the Port Dover Harbour Museum.

David Frew, PhD., is a historian and author from Erie, Pennsylvania. He is an emeritus professor at Gannon University.

Local advice!

“ Norfolk County, my fav, where the local farmers’ markets, golf courses, shoreline adventures, and the beauty of the beaches all converge, but the true magic lies in getting lost in nature’s embrace. ”

Welcome to Port Dover

Welcome to Port Dover where you can spend a day, a week or the entire summer enjoying our beautiful waterfront community and all its pleasant surprises.

Walk and explore the unique stores and boutiques offering one-of-a-kind shopping and absorb some local history. Enjoy Port Dover's sandy beach or sit on the pier and watch the boats and people.

Try one of the many restaurants where fresh Lake Erie fish is a local favourite, but our many restaurants offer a wide choice.

Port Dover is home to the Lighthouse Theatre, the Port Dover Harbour Museum, Port Dover Summer Festival, Summer Sunday night Concerts, and Friday the 13th events.

Drop a line in Norfolk

Norfolk County is a particularly sweet destination for those who love to fish! Cast for perch from the Port Dover Pier, or drop a line and exchange fishing stories with the other anglers. Kayak fishing is a trendy new way to head out on Lake Erie and try for bass, pike, crappie, bluegill and channel cats. The warm, shallow waters of the inner Long Point bay offer calm waters in summer and fabulous ice fishing in winter; but there's more than just the lake!

There's Waterford Ponds, a group of rehabilitated gravel pits with numerous access points for fishing from land, in the charming town of Waterford. More properly known as Waterford North Conservation Area, the spot offer largemouth bass, northern pike and a variety of panfish.

A small conservation area near the historic hamlet of Vittoria offers exciting potential in the rushing water of Young's Creek. Many species of trout may be spotted there, depending on the season.

Delhi offers a spot for fly fishing at the pretty little Quance Park, which is built around the scenic Quance Dam.

The reservoir at Deer Creek Conservation Area near Langton offers a boat launch, but only electric motors are permitted, keeping the pristine calm of the place in tact for a peaceful afternoon of fishing. The locals in each of Norfolk's fair towns will have more fishing spots than we can fit in a book, and some of them might even tell you where they are!

Finding your Passion!

You might hear locals talking about terroir, a fancy way of talking about our land, temperatures, and soil. Then it will hit you! You're in the middle of one of the newest wine regions in Ontario! Wineries, breweries, and our distillery invite you to take some time and sample the many award-winning beverages they offer in their tasting rooms. Spend even longer on warm days dining and sipping on patios, enjoying local entertainment and if you plan just right, you'll see some Grammy and Juno Award winning artists in concert.

On route, you will be compelled to stop at the many farm stands you pass along the way. Do it! You'll learn the reason we've been dubbed, Ontario's Garden. If you're lucky

enough to be in town on one of our Farmers' Market days, you can stock up there with local grown goodness. We're proud of the many crops we can grow on our land and understand the true meaning of "farm fresh."

Norfolk artists capture the beauty of Norfolk, and their creative works can be found throughout the County. A great place to see local art is the Lynnwood Arts Centre, which also curates the annual Studio Tour featuring over 40 Norfolk Artists.

Explore Norfolk's culture and heritage through our many art shops, museums, theatres, festivals and events. There's plenty of new things to discover along the way.

"Welcoming Golfers Since 1895"

Welcome to Simcoe

Welcome to Simcoe, the Heart of Norfolk County! Located at the crossroads of Norfolk's major North-South and East-West thoroughfares, Highway 3 and Highway 24, Simcoe is the largest community in the county, with two distinct commercial districts: The Queensway and Downtown.

The Queensway, Highway 3, is home to big box retailers, accommodations, gas stations and numerous restaurants, from fast food to family dining. If you're looking for familiar favourites, whether shopping, dining, or filling up, the Queensway has what you're looking for!

Downtown is a vibrant eclectic mix of retailers, restaurants, professional offices, greenspace and home to Norfolk's Arts District! Art plays a big role in our downtown - we invite you to explore the art downtown - do the "Mural Crawl", and check out the murals, visit Lynnwood Arts and the Capitol Art Market. Just passing through? Look up, and enjoy our Drive Thru Art Gallery - the downtown light posts feature banners painted by local artists! We encourage you to stroll our

downtown and visit the 100+ stores and restaurants in our downtown core!

Take the time to stroll the Lynn Valley Trail, a fully paved trail that follows the Lynn River as it winds through Downtown Simcoe.

Looking for entertainment?

During the summer Simcoe comes alive on Friday nights with a series of free concerts featuring local talent, car shows, as well as free activities for kids- it's a great family-friendly evening of fun!

Simcoe has everything you need, and we're on your way to everywhere. We hope you enjoy your stay in Norfolk County!

advice!

“ As a writer, I love my old typewriters. I always find another to add to my collection at Waterford Antique Market. I always wander around Beach Reads Bookshop in Port Dover. The co-owner Robyn is also a typewriter collector so I'm in good company. And perch tacos at The Fisherman's Catch in Port Dover. All three make for the best day ever. ”

Local advice!

Paul Meiklejohn - winner of 2 Canadian Downhill Mountain Biking Race Titles and Norfolk Sports Hall of Recognition Inductee

“ There’s nothing better for feeding my need for speed than jumping on my mountain bike and riding the 80 kms of trails at the top of the Turkey Point hill. ”

Local advice!

Rory Dodd, Rockstar Vocalist with the love of his life, Ruth Fleming, artist. Photo credit: Tim Warris

“ Everyone who lives here knows that the Norfolk lifestyle is a cool vibe making the backyard patio a popular hang out. But if you’re looking for something romantic, it’s the stroll to the end of the pier to watch the stars that we recommend! ”

For mountain bikers, download the Trailforks app and search near Turkey Point for the Turkey Point Mountain Biking Club Trails

On April 8th, 2024, Norfolk County was in the path of totality for the solar eclipse. Thousands of visitors joined Norfolk friends and families to watch this rare event. Locals know that “Total Eclipse of the Heart” was sung by Bonnie Tyler and Port Dover’s Rory Dodd.

Le Tour de Norfolk

July 21, 2024

Norfolk's Cycling Scene

With more paved roads per capita than anywhere else in Ontario, cycling is not only encouraged, it's highly recommended. If cycling is your thing, you won't want to miss Le Tour de Norfolk on Sunday, July 21, 2024 with several different rides for all skill levels. The ride starts and ends in Delhi.

With our excellent beaches and paved roads, you'll also find tri-athletes training for their swims, cycling the county and running on country roads. And with the hundreds of kilometres of trails, you can ride a mountain bike (or take a hike)!

Jim Adox, Turkey Point, takes a break from triathlon training.

Birds Canada/ Long Point Bird Observatory

Birds Canada is the voice for birds. Its national headquarters is located right here in Norfolk. Every single day, Citizen Scientists (volunteers) share their energy, skill, and bird sightings through Birds Canada's research and monitoring programs—and this action helps inform conservation action! A trip to Long Point Bird Observatory is highly recommended for anyone interested in birds. LPBO's Old Cut Research Station and Visitor Centre is open to the public during spring and fall migration (from April to mid-June, and early August to mid-November). And you don't need binoculars or fancy equipment to enjoy birds here. See the birds up close during bird banding demonstrations, which run daily (weather permitting) from 9:00 a.m. until noon.

Welcome to Waterford

Waterford is a little hidden gem situated in the heart of Norfolk and the middle of the Trans Canada Trail. Come stroll our trails and stop to take in a beautiful sunset over our historic Black Bridge.

Waterford is known for its stately homes and architecture, but it's the downtown where it comes alive with unique shops, specialty stores, Norfolk's only coffee roaster, a microbrewery, antique stores, and restaurants.

Try something new! With kms of ponds you

can fish, canoe, kayak, camp. Visit a Deer Park, experience new visual and recording artists at the Old Town Hall or discover our roots at an old pickle factory agriculture museum. Bring your skateboard, bike or scooter! The new Skatepark is open.

If you time it just right, in the fall, you'll see a tower of carved pumpkins as part of our annual Pumpkinfest and in the summer, Dragonboats on the ponds.

Save yourself a trip north, we have it all in Waterford... except the bears!

Stay...

Finding your Bliss!

Once you fall in love with Norfolk, you're going to want to spend a night, a week, or the whole summer. You're in luck! Norfolk offers a wide variety of accommodations from camping to five star luxury.

If you're looking for a truly authentic Canadian experience, and don't want to lug a tent and cook over a campfire, try Glamping. Who could resist glamorous camping in the middle of our beautiful Carolinian forest? You deserve it.

But if camping is your bliss, you can find amazing sites at our Provincial parks and our local campgrounds. Sites are available on the beach in Long Point and they book up early.

You'll find plenty of campsites with a very short drive time to the beaches and lakes in Norfolk.

For those of you who are less adventurous and want to stay in a hotel, or a beautiful B&B, Norfolk offers that as well. Even some of our wineries offer onsite farmhouse stays!

You can also be pampered in luxury in Norfolk.

Any way you want to stay, you can do it your way.

Explore Outdoors!

The Lynn Valley Trail is a former rail line connecting Port Dover to Simcoe and then continues through Norfolk all the way to Brant County. It's great for hiking and cycling (follow the trail rules and use your bell when approaching hikers).

Drop your paddleboard, canoe or kayak into Lake Erie, Waterford Ponds, or along many of the rivers connecting them. The stillness of the morning lake is the perfect time for a smooth paddle.

Growing up in Norfolk County I worked at my Grandfather's hardware store where I enjoyed getting to know the people in our community who came to shop. As an adult I've stayed rooted here, running my own business where I can continue to work with so many amazing people & businesses.

Waterford Deer Park

The Waterford Deer Park is located at 1 Concession 8 in Waterford and is open 24 hours a day. It was originally built to house eight English Fallow deer whose job it was to control weeds and vegetation in the Water Works Project. Now locals and visitor alike enjoy meeting the entire herd at the park.
